

# Congratulations Carey!

Please join us in congratulating Carey von Gnechten on her 30th anniversary with CCU.

Carey joined the credit union in 1991 as marketing/training director and since then has been responsible for developing and promoting various credit union products and services such as Lucky the Lion Savers Club, the A-Team, Saver's Sweepstakes, our website, newsletter and Facebook page. In conjunction with our human resources department, Carey also helps educate our staff in team building, communication skills, time management, customer service and more.

Congratulations Carey!

At CCU, we pride ourselves on being the place that "finances fun." Whether it be money for a new or used car or truck, recreational vehicle or even taking a vacation, the consumer lending staff at CCU loves to help members in their pursuit of good times and having fun.

The ladies pictured here are three shining examples of our exceptional lending staff. Not only are they knowledgeable and professional, they are friendly, helpful and (you guessed it) a whole lot of fun! Stop in and visit with one of them the next time you need a consumer loan.

**Jane Nehrbass** has been a loan officer at CCU's Weston office since 2005. In 2018, she also assumed the assistant branch manager duties at that location. Jane is a real 'people person' and you can always expect to enjoy your time working with her.

**Jenny Strehlow** started working at CCU in August 2000 as a teller while she was in high school. In 2003, she joined the lending department as a loan processor and in 2004, was promoted to her current position as a loan officer at our main office. When you work with Jenny, you not only get the financing you need, you also get a big happy smile free of charge!

**Casey Brenden** is one of the newer members of our lending staff although she had worked as a teller at CCU's westside office since 2018. Casey is always ready and willing to help members with their financial needs. She is also happy to lend you one of her gracious grins if you don't have one of your own.

## Congratulations March Saver's Sweepstakes Winners!

We're happy to report that five more CCU members were lucky winners in last month's Saver's Sweepstakes drawing! Richard B., Torrie M., Beth B. and Linda B. each won \$100 in the statewide drawing and Greg H. was the winner of \$100 in the CCU member-only drawing. Congratulations to all!

Saver's Sweepstakes is a prize-linked savings account that helps you save money and gets you entered to win cash prizes through monthly, quarterly and yearly drawings. For each \$25 you deposit, you get one entry into each drawing (up to a maximum of 6 entries per month). In addition for a chance to win, members establish good savings habits and watch their savings grow. The best part, unlike the lottery, there is no risk of losing your savings! You keep everything you save and earn dividends on top of it!

For more information visit our website, give us a call or stop in to open your account. We want you to be our next lucky winner!
