

After 42 Years at CCU, Janel Doede is Retiring

Janel Doede is retiring June 17th after working 42 years at CCU. She began her career at CCU in 1980 as a teller/member services representative at the former Tigerton branch office. After honing her skills in Tigerton, Janel moved to CCU's former Rothschild office. Over the years, Janel was promoted to positions of increasing responsibility. In the mid-1990s she served as the branch manager at CCU's Weston office. She has worked at all of the CCU locations in a variety of departments. Since 2002, Janel has been Assistant Vice President/Director of Member Services overseeing the member services department, working at our McIndoe Street office.

Janel's sense of humor, and the candy dish on her desk, will be missed by her colleagues and the CCU members that she has developed relationships with over her many years of dedicated service to the credit union.

Although she will miss her CCU family and the members, Janel is looking forward to traveling, spending time with family and friends and doing volunteer work.

Thank you and congratulations on your retirement Janel! CCU is grateful for your commitment to the credit union and its members. We wish you well in your future endeavors.

Carey von Gnechten, CCU Marketing and Training Director, Retires

Carey von Gnechten retired on June 3rd after 31 years as CCU's marketing/training director. Carey was responsible for developing and promoting various credit union products and services such as the Lucky the Lion Savers Club, the A-Team, Saver's Sweepstakes, the CCU website, newsletter and Facebook page. She also helped educate our staff in team building, communications skills, customer service and more.

Carey's enthusiasm for sports will be missed. An ardent Packers and Badgers fan, Carey coordinated the fan day activities for the CCU staff. She especially enjoyed engaging the staff's participation in obscure and traditional holidays inviting them to participate in everything from Crazy Hat Day to Take Your Dog to Work Day. She remembers when she started at CCU, Jim Becker, CCU's president at the time, had the only self-correcting typewriter in the building, and because it had a correction key, she used it to type the CCU newsletters. After 31 years, Carey has

many happy CCU memories to reflect on while relaxing at her favorite lakeside retreat.

Thank you, Carey, for 31 years of dedicated service to the credit union. We wish you all the best!
