

New Tools to Help Simplify Your Life.

New CU-Online, CCU Mobile Banking App & CCU Website

CCU's conversion to our new banking system took place on May 7th. Accessing the new system requires all members who use CU-Online and the CCU Mobile Banking app to enroll. Members who have already enrolled are finding the features of these new enhanced banking tools make it faster and easier than ever to access and manage their CCU accounts.

You can enroll by logging on to ccuwausau.com on your computer or on your mobile device by downloading the new CCU app. If you currently have the CCU website bookmarked you may need to clear the cache on your computer. CCU app users will need to download the new app. Search for 'Cloverbelt CU Mobile Banking' on Google Play or the App Store. The old CCU app should be deleted.

When enrolling, here are several things to keep in mind:

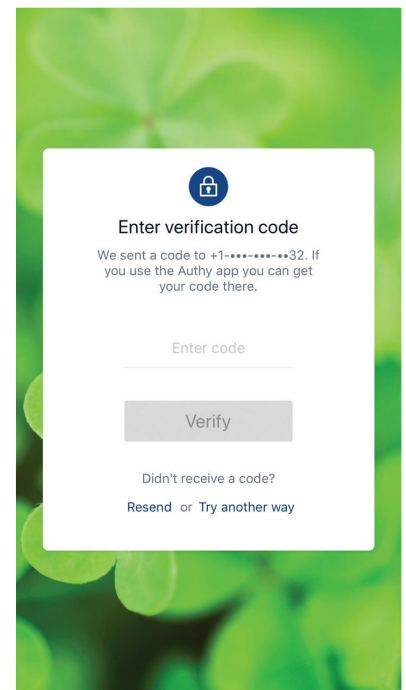

🔒 The information the credit union has on file for you and the information you enter when enrolling **MUST** match. If you are unsure of the "home" phone number or email address on file, you may want to call the credit union to verify this information before enrolling.

🔒 Once your information has been entered correctly, you will receive a security code to activate your registration via the phone number you've entered. Mobile phones should receive a text and landlines will receive a phone call. If you don't receive the code shortly after registering, please select "Try Another Way" for options to receive your activation code.

🔒 After your code has been entered successfully and you accept the user agreement, you'll need to set up your user name and password.

Your user name cannot be your member number like before. It must be at least 8 characters long, begin with a letter (not a number) and contain no special characters.

🔒 Once your enrollment is complete, if you don't wish to enter a verification code every time you log in, there is a feature available for computers only that says "Don't ask for codes again on this computer."

If you have questions or need help enrolling, please stop in or give us a call at (715) 842-5693. Our regular business hours are M-Th 8:30 am-4:30 pm, Friday 8:30 am-5 pm. We'd be happy to help!

CONVENIENT NEW FEATURE!

Now all members can access their monthly statements by logging into their accounts from CU-Online or the mobile banking app, selecting any account, then selecting "Documents." Statements will typically be available at the beginning of every month.

Important Notice for CCU Travelers

If you will be traveling outside of Wisconsin and plan to use your CCU debit card or HELOC MasterCard, please remember to stop in or call any CCU office so we can activate your card for use while you're away.
