Congratulations Breyden! A-Team Grand Prize Winner

Congratulations to Breyden Hall the 2021-2022 school year A-Team grand prize winner! Breyden's favorite subjects are computers and science. He enjoys sports cars and their modifications, creating videos and anything related to computers and technology. Breyden used his \$300 prize money to purchase computer parts from a Micro Center and built a computer at home. We wish Breyden all the best as he begins 9th grade.
