

# Lucky Club Kids with Their Pets Help Homeless Animals

In honor of **National Love Your Pet Day** on February 20, kids in CCU's Lucky the Lion Savers Club were asked to submit pictures of themselves showing love for their animal companions, whether they be furry, feathered or finned. For every photo we received, CCU made a \$5.00 donation to the **Humane Society of Marathon County**, which works hard to find permanent, loving families for homeless animals in our area.

Thanks to all the wonderful pictures we received, CCU was able to make a nice donation to the Humane Society which they'll use to purchase toys, food, medical services and other supplies needed to care for their residents. Thanks to all the Lucky Savers who sent in pictures and thanks to all their pets who posed for the camera! To see all of the pictures, check out our Facebook page.

## Help Your Neighbors Toiletry Drive

CCU is holding a toiletry drive for **The Neighbors' Place of Wausau**. Collection bins are available at all CCU locations through March 18th. Suggested donation items include toothbrushes, toothpaste, shampoo, deodorant, bar soap, feminine hygiene products, toilet paper and related items. Please help your neighbors by giving a little and helping a lot!

## Scholarships Available

CCU will again award scholarships to outstanding graduating seniors who plan to further their education beyond high school. To be eligible for the \$500 scholarships, applicants or a member of their immediate family must be a CCU member in good standing. Applications are available from the guidance office at local high schools or via our website. The application deadline is April 1, 2022 and scholarship winners will be selected by May 1.

# Congratulations CCU January Saver's Sweepstakes Winners!

Four lucky winners got a nice surprise last month when their names were selected as winners in the January Saver's Sweepstakes drawing. Randy V., Allen B. and Makayla B. each won \$100 in the statewide drawing and Barbara J. won \$100 in the CCU member-only drawing.

You could be the next lucky winner just by opening a Saver's Sweepstakes account at CCU. Visit our webpage or call us for details.

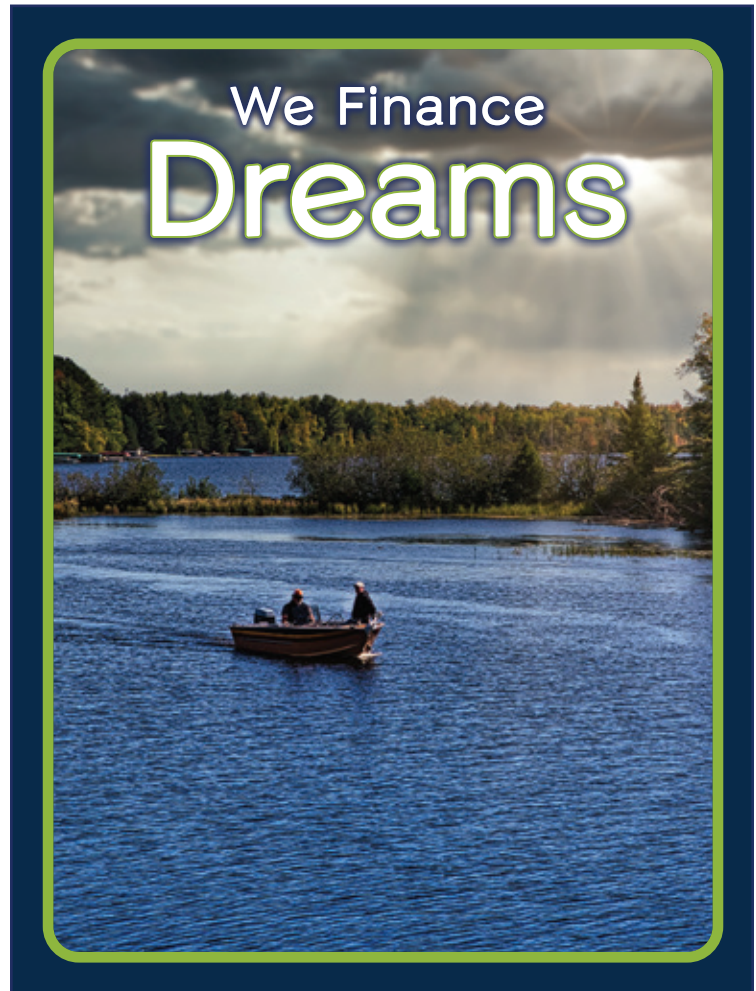

## Fraud Alert

Here's another scam members frequently contact us about. You'll receive a call claiming to be from a fraud alert center regarding your debit or credit card. They lead you to believe the call is legitimate by using generic wording such as "we're calling from Mastercard about a suspicious transaction" or something similar. During the conversation, the scammer asks for your card number, expiration date and security code as a way to verify your identity. With that, they have all the information they need to make purchases with your card. With enough information from you, they may be able to make changes to the account that suppress normal fraud monitoring, such as increasing credit limits, changing the PIN and adding travel exemptions.

Fraud alerts for your CCU debit card can be by phone, text or email. A legitimate fraud alert process DOES NOT include providing the security code on your card, your full social security number, your PIN or a one-time passcode that's sent to your phone.

If you think you are a victim of fraud that may have affected your CCU cards or accounts, contact us by calling (715) 842-5693 during regular business hours Monday - Thursday 8:30am-5pm; Friday 8:30am-5:30pm.
