

# CCU Members Help Make a Positive change

Pictured L to R: CCU HR Specialist Kelly Franklin and Tiffany Rodriguez-Lee, Monk Botanical Gardens Marketing & Communications Coordinator

Thanks to the generous donations members made to our "Positive Change" project last quarter, CCU was able to make a nice donation to **Monk Botanical Gardens** located at 1800 N. First Avenue on Wausau's west side. The Gardens have become an urban sanctuary for education, appreciation of our environment, relaxation, and recreation. More information about the Gardens can be found at [monkgardens.org](http://monkgardens.org).

**Stable Hands Equine Therapy Center** will be the recipient of the Positive Change program's third quarter donations. Celebrating their 30th anniversary, Stable Hands continues to grow, expanding the programs they offer to meet the ever-increasing need for equine activities and therapies that enhance the quality of life and health for individuals by improving physical, emotional, cognitive, and social development. More information can be found at [stablehandstherapy.com](http://stablehandstherapy.com). Positive Change donation boxes are at all CCU locations. Join us in helping celebrate Stable Hands' 30th Anniversary with your donation.

## Let's Talk...

### About UTVs!

As summer fades to fall, the concept of FUN shifts to what's needed for fall. UTVs have grown in popularity because they are both functional and fun! Hunting season, fall trail rides, land clean up and more all make a UTV an excellent multifunctional vehicle to own.

Before you visit the dealer, we invite you to stop in or call and visit with a CCU personal lender. They can provide you with financing options and help you choose the loan that makes the most sense for you.

Let's Talk ... put the expertise of a CCU personal lender to work for you!

## CCU Members are So Sweet!

Thanks to our members with a sweet tooth, funds from candy bar sales at all CCU offices and drive-ups were recently donated to two charitable organizations.

\$250 was donated to **Emily's Path**, [emilyspath.org](http://emilyspath.org) – this organization's mission is to provide life enhancing experiences to children who have medical, mental, or physical challenges.

\$250 was donated to **Gaining Ground Gardens**, [marathon.extension.wisc.edu/horticulture/therapeutic-horticulture/](http://marathon.extension.wisc.edu/horticulture/therapeutic-horticulture/) – this organization's mission is to provide individuals in Marathon County who have court-mandated community service the opportunity to learn horticultural and vocational skills.

# Congratulations to A-Team Students

Another successful year of CCU's A-Team has come to a close. During the 2021/2022 school year more than 250 report cards were submitted by students who earned one or more A's (or equivalent score). Congratulations to all student members who excelled in their studies and earned exceptional grades for their hard work.

Fourth quarter winners and runners-up are listed below (winners in green). All A-Team qualifiers are also eligible to win the \$300 end-of-the-year Grand Prize.
