

CCU's staff of "stellar tellers" includes these three friendly, hard-working women who are always ready and willing to serve members quickly and efficiently. We are so fortunate to have them and the other 15 members of our teller team at all three locations who make CCU a great place to do business. Their positive attitudes and sunny smiles are just one more reason "Our People Make the Difference!"

Beth Bartelt has been a teller at our main office downtown since 2017, after working over 38 years at another local financial. Beth says the biggest difference between CCU and the bank where she used to work is that here we take such good care of our membersright down to having a live person answer the phone! Members appreciate her wealth of financial experience and knowledge as well as her warm and friendly smile!

For **Mariah Wolf**, head teller at our Weston office, working at CCU is a real family affair as her mom Kim has worked in our lending department for over 30 years. Mariah joined our teller staff in 2014 and was promoted to her current position in 2019. Mariah's bubbly personality and positive attitude always make both members and her co-workers smile!

Terra Sanchez has been a teller at our main office downtown for just over a year but members may also remember her from her 2 years of working at our Weston location. Terra's sunny disposition and pleasant smile give members a good feeling whenever they go to her window to perform a transaction. We're lucky to have her on our team and she is just one more reason "Our People Make the Difference!"

Congratulations Sara! A-Team Grand Prize Winner

We are happy to announce that Sara M. of Marathon was the lucky \$300 A-Team Grand Prize winner for the 2020-21 school year! Sara will enter the 7th grade at St Mary's School this fall where her favorite subject is spelling. She plans to use a portion of her prize money for an Apple pencil to use with her iPad.

Sara and her brother Adam have both been on the A-Team honor roll for several years but this is the first time she won. Congratulations to Sara and to all the other A-Team winners and qualifiers this year!

Congratulations to A-Team Students

Another successful year of CCU's A-Team has come to a close. Close to 100 report cards were submitted each quarter from students who earned one or more A's (or equivalent score) during that time period. Although COVID-19 changed the school year, student members continued to excel in their studies and earned exceptional grades for their hard work.

Fourth quarter winners and runners-up are listed below (winners in green). All A-Team qualifiers were also eligible to win the \$300 end-of-the-year Grand Prize.
