

CCU Opening Soon in Mosinee!

We are excited to announce the opening of our new branch in Mosinee across from the airport in the Baymen Professional Building at 850 State Hwy 153. The branch will be staffed by some familiar faces who are relocating from other CCU offices and some tellers new to CCU. Follow us on Facebook for details on the opening. We look forward to serving our members from the area and welcoming new members to the CCU family.

NEW Student Loan Program Available

Cloverbelt Credit Union is working with ISL Education Lending to offer private loans to help pay for college as well as refinance existing student loans. ISL Education Lending is a nonprofit organization with decades of student loan experience offering lower-priced loans.

ISL Education Lending offers:

- Loans for college students.
- A loan option for parents and family members who wish to borrow on behalf of a college student.
- Multiple student loan refinance options.

In addition, they offer multiple scholarship opportunities and free college planning tools to help students and families avoid overborrowing and plan smart for life during and after college.

Please note: All loans offered by ISL Education Lending are subject to credit approval.

Before applying for a private loan, we encourage you to first complete the FAFSA, or Free Application for Federal Student Aid. You should also work with your college financial aid office to explore and exhaust all sources of student financial aid before seeking a private student loan.

*Cloverbelt Credit Union is compensated by ISL Education Lending for the referral of student loan customers.
