

Congratulations on your 25th Anniversary Jessica!

Jessica Sands is observing her 25th year at the credit union this month. She joined CCU in 1995 as a teller at our Weston office and she is currently the head teller at our main office in downtown Wausau. Looking back to when she was a teenager opening her first checking account at CCU, Jessica never dreamed she would later become an employee and years later be celebrating her 25th work anniversary.

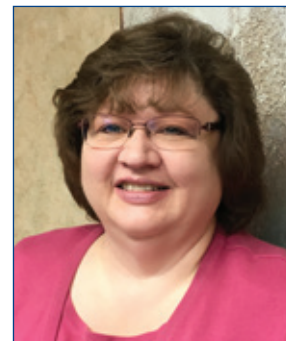

"It's all the little things throughout the year that make me smile," she said. "It's the impact you make on people and the ways in which you can give back to the community and make a difference in people's lives. CCU is a wonderful place to work. I feel lucky to be part of the CCU family."

Happy 15th Anniversary Jane!

Jane Nehrbass has been the lending 'go-to gal' at our Weston office since she joined the credit union in 2005. In 2018, she added assistant branch manager duties to her responsibilities as a loan officer. Jane especially enjoys the relationships she's built with the generations of members she's worked with over the years. "In the morning I might be working with a member's grandson and that afternoon the grandparents stop in. Every situation is different. There is a real sense of satisfaction and it's fun helping people get what they want," she said.

Please join the CCU staff in congratulating Jane on her 15th CCU Anniversary.

Just a Little Time Goes a Long Way in Making Someone's Day!

From time to time we hear from members complimenting our staff on their outstanding service. Particularly in these uncertain times, it is so nice to know that our hard work and dedication is appreciated. We recently received two such messages that we'd like to share with you.

"Words cannot explain the gratitude I have. I highly recommend anyone to bank here as they treat you as a human and help out in any way they can." ~ Ryan V.

I am not the richest person in Wausau nor the poorest but the quality of care I receive no matter how much or how little money I have is outstanding. The representatives are exemplary in their work ethic, knowledge and kindness. ~ Debra M.

Thank you to these members for taking the time to let us know what we do has made a difference in their lives. Your thoughtfulness made our day!
