Julie Hutchison is the manager of the west side branch that is staffed by eleven knowledgeable, dedicated and friendly employees. In addition to a membership services and loan department, the office has lobby and drive-up teller services as well as a 24-hour ATM. We look forward to you joining the celebration on Friday. Please stop in to say hello. Members are Our Most Important Asset. CCU's continued success is a reflection of you!

Congratulations Gavin! A-Team Grand Prize Winner

Gavin Cliver is the \$300 grand prize winner of the A-Team for the 2017-18 school year. Gavin will be a 4th grader at John Marshall Elementary School this fall where his favorite subject is math. Gavin plans to save most of his winnings but he did share a portion with his brother Riley, who is also a member of the A-Team. Congratulations to Gavin and all the members of the A-Team from CCU!

A-Team 4th Quarter Winners and Runners-Up

Another successful year of CCU's A-Team program has drawn to a close. More than 100 report cards were submitted each quarter from students who earned one or more A's (or equivalent score) during that time period. Three quarterly winners in each grade category were randomly selected and each received \$25. Fourth quarter winners and runners-up are indicated below (winners in green). All A-Team qualifiers were also eligible to win the \$300 end-of-the-year Grand Prize.

The A-Team program began in 2006 and is CCU's way of encouraging and supporting outstanding academic achievement among our younger members. Our commitment to education is further evidenced with our annual scholarship program. We plan to continue both programs for many years to come and encourage students to keep working hard and learning as much as they can so they can grow up to follow their chosen career path and thrive in the community they call home.
